astrid bedroom in maple

With its deeply splayed legs producing dramatic cantilevers, the Astrid Bedroom is an engineering feat that defies expectations and inspires a sense of possibility. A true platform bed, Astrid may be ordered with or without the headboard panels. Recommended mattress thickness is 8" to 12".

The Astrid Bedroom is crafted in solid maple hardwood and Made to Order in five finishes* (specify conventional or water borne finish) with a variety of knob or pull options.

*Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities tell you that the furniture has been crafted from solid wood and are considered hallmarks of quality.
