

moduluxe is sectional
furniture for the bedroom.

Individual pieces within the collection can stand alone as stylish contemporary designs or can be arranged in a modular sectional for a semi-built-in configuration.

Whether you're imagining a conventional bedroom set or a sectional configuration, Moduluxe has the versatility and range of options to realize your vision.

moduluxe is versatility.

Platform beds and cases are available in heights of either 29" or 35". A 35" high storage bed is also available.

Three unique headboard designs are available: a flat panel design, an upholstered design and a louvered "clapboard" design.

Cases, desks and media units are available in a wide range of configurations.

The Moduluxe Bedroom is crafted in solid maple, cherry or American black walnut hardwood* and Made to Order in fifteen finishes** (specify conventional or water borne finish) with a variety of knob or pull options.

*Bed headboard panel is laminated with maple, cherry or walnut veneer.
**Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities tell you that the furniture has been crafted from solid wood and are considered hallmarks of quality.

35" High Case

29" High Case

In basic functional terms the difference between the 29" high case series and the 35" high case series may be understood as the difference of one drawer - as with the three and four drawer cases shown here.

For the consumer, selecting 29" high Moduluxe bedroom vs. 35" Moduluxe bedroom will be a question of aesthetic preference, storage needs and/or space limitations in the intended room.

moduluxe headboard designs

Panel Headboard

Simple design emphasizing the character of the wood grain itself.

Upholstered Headboard

Horizontal bolsters available in microsuede or full aniline dyed leather in multiple colors as well as customer's own material.

Louvered Headboard

This "clapboard" style design emphasizes the character of the wood grain with slightly more geometric detail than the panel headboard.
