

CORRIDOR[®] SV BAR 5621

BAR CABINET

INSTRUCTION MANUAL

LET'S GET STARTED.

DESIGN MATTHEW WEATHERLY

BDi

BDIUSA.COM

Congratulations on the purchase of your Corridor SV Bar 5621 from BDI. Your bar cabinet has been designed to provide a lifetime of enjoyment. This manual will provide you with assembly instructions and other helpful information to ensure you get the most out of your product. Please save it for future reference.

Your Corridor SV Bar has been engineered for simple assembly. Please follow these directions carefully to prevent any damage.

Should you need further assistance, contact BDI at customerservice@bdiusa.com.

ENJOY!

HARDWARE AND COMPONENTS

Unpack and identify the parts listed below. If you are missing any hardware, please contact BDI Customer Service at customerservice@bdiusa.com. For all other concerns, please contact your BDI retailer.

The assembly workspace should be a non-marring surface such as carpet. Do not use power tools for the assembly of this product.

HARDWARE AND COMPONENTS

Lower Frame (C4)

QTY: 1

Bottom Shelf (C5)

QTY: 1

Top Panel (C6)

QTY: 1

Glass Shelf (C7)

QTY: 2

Door Pull (C8)

QTY: 2

Place **Cabinet (C1)** upside down on a soft, flat surface. Place the **Upper Frame (C2)** on the **Cabinet (C1)**, paying careful attention the side hole orientation. Attach with **8 Screws (H1)**. Tighten with **Hex Wrench (T1)**.

	HEX WRENCH – T1	QTY 1
	SCREW – H1	QTY 8

STEP 2. ATTACH LEGS

ASSEMBLY

Attach **Legs (C3)** to **Upper Frame (C2)** using **8 Screws (H2)**. Tighten with **Hex Wrench (T1)**.

	HEX WRENCH – T1	QTY 1
	SCREW – H2	QTY 8

With help from another person, hold the **Lower Frame (C4)** in place and attach it to the **Legs (C3)** using **8 Screws (H2)**.

Ensure that the "Top" label on the **Lower Frame (C4)** will face up when the Cabinet is flipped over. Tighten with **Hex Wrench (T1)**.

	HEX WRENCH – T1	QTY 1
	SCREW – H2	QTY 8

STEP 4. INSTALL SHELF PINS & DRAWER LINER

ASSEMBLY

With help from another person, carefully flip the Cabinet over to its upright position. Shelf pins can be repositioned where desired. Once shelf pins are installed, place the **Drawer Liner (C7)** in the drawer.

ASSEMBLY

STEP 5. INSTALL GLASS SHELVES & DOOR PULLS

Install the **Glass Shelves (C8)** by slightly tilting them, sliding them in, and resting them on the **Shelf Pins (H3)**.

Attach the **Door Pulls (C9)** to the doors using **4 Screws (H3)**. Tighten with **Phillips Screwdriver (not included)**.

	PHILLIPS SCREWDRIVER NOT INCLUDED	QTY 1
	SCREW – H3	QTY 4

STEP 6. INSTALL RUBBER BUMPERS, BOTTOM SHELF & TOP PANEL

ASSEMBLY

Attach the **6** adhesive-backed **Rubber Bumpers (H4)** to the top of the **Cabinet (C1)**, then attach **6** adhesive-backed **Rubber Bumpers (H4)** to the top of the **Lower Frame (C4)**. Paying attention to the labels on the underside of the glass pieces, place the **Bottom Shelf (C5)** and **Top Panel (C6)** on top of the **Rubber Bumpers (H4)**.

	RUBBER BUMPERS- H4	QTY 12
---	--------------------	-----------

MOVING DRAWER TO OPPOSITE SIDE

To move the Drawer to the other side, follow these steps.

Fully extend the Drawer and **slide the plastic tabs inward**. They are found near the ends of the slides on the underside. **Gently lift the front of the drawer** and **pull the drawer toward you** to remove it from the sides.

STEP 7. REMOVE DRAWER SLIDES

ASSEMBLY

Remove the 4 Screws holding the Left Drawer Slide to the interior wall using a **Phillips Screwdriver**.

Set these screws aside for later.

PHILLIPS SCREWDRIVER
NOT INCLUDED

QTY
1

Remove the 4 screws holding the Right Drawer Slide to the metal bracket using a **Phillips Screwdriver**. Set these screws aside for later.

Remove the 4 screws mounting the Metal Bracket to the bottom of the cabinet using a **Phillips Screwdriver**.

	<p>PHILLIPS SCREWDRIVER NOT INCLUDED</p>	<p>QTY 1</p>
--	---	------------------

Set these screws aside for later.

Attach the Metal Bracket on the opposite side of the cabinet, **reinserting the 4 Bracket Mounting Screws** you just removed into the threaded inserts in the bottom panel of the cabinet. Tighten with a **Phillips Screwdriver**.

STEP 9. MOUNT DRAWER SLIDES ON OPPOSITE SIDE

ASSEMBLY

Mount the Left Drawer Slide to the **Metal Bracket** using **4** of the **Drawer Slide Mounting Screws**. Tighten with a **Phillips Screwdriver**.

PHILLIPS SCREWDRIVER
NOT INCLUDED

QTY
1

Mount the Right Drawer Slide to the interior wall of the cabinet using the **remaining 4 Drawer Slide Mounting Screws**. Tighten with a **Phillips Screwdriver**.

Gently place the drawer back on the drawer slides. Slide the drawer all the way back until it drops in place and sits flush on the drawer slides.

Push the plastic pins found near the ends of the drawer slides back into their place. This will secure the drawer in place on the slides.

CARE & MAINTENANCE

Your BDI furniture has been constructed with the finest materials, manufactured with care and is designed to last a lifetime. Regular care of your furniture will prolong your enjoyment and keep it looking its best. Here are some general tips for taking care of BDI furniture. Your surfaces may vary.

GLASS

The glass surface is maintained using household glass cleaner and a paper towel or cloth.

SATIN-ETCHED GLASS

This uniquely smooth-to-the-touch glass surface can be regularly maintained using household glass cleaner and a paper towel or cloth. Minor scratches or scuffs not eliminated using paper towel or cloth can usually be removed by using a 'Magic Eraser'. Magic Eraser is a melamine foam product available at any grocery store or home improvement center. Dampen the entire glass surface and the Magic Eraser, then rub the entire glass surface in broad, even strokes using moderate pressure. Clean and dry the surface with a paper towel. Check for results and repeat as necessary.

Any scratches or scuffing not eliminated by one of the above methods can often be addressed by 'refreshing' the glass. This is a process that should not be required more than once per 6-12 months. See this brief video for the simple method: www.bdiusa.com/glass

WOOD

Wood surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. Do not use glass cleaner on wood. If moisture remains, dry the surface with another cloth. If needed, a gentle non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.

BDI's wood finishes feature natural hardwood solids and veneers. Wood is a product of nature and—unlike man-made materials that can be manufactured to strict and consistent specifications—has natural imperfections that are part of its appeal and character. Every piece of wood differs from every other, even when coming from the very same tree. As such, variation in grain, texture and tone should be expected from one panel or piece of furniture to the next.

While BDI's stained wood finishes are stable in tone & appearance, all finishes are subject to some degree of discoloration with prolonged exposure to direct sunlight. Please take care to avoid positioning your BDI cabinet in any area with extensive direct sunlight. To learn more about the features of natural wood, visit www.bdiusa.com/wood

METAL, PORCELAIN, & PAINTED SURFACES

Surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. If moisture remains, dry the surface with another cloth. If needed, a gentle non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.

WARRANTY

BDI warrants to the original purchaser that for the below-stated warranty term, BDI will repair or replace any product, part, or component covered by this warranty that fails under normal use as a result of a defect in material or workmanship. BDI will repair or replace the aforementioned product, part or component with a comparable product, part or component. The decision to repair or replace will be at BDI's sole discretion.

BDI furniture is warranted for three (3) years from the date of purchase as shown on your sales receipt. The warranty period starts from the date of purchase. This warranty extends only to the original purchasers who acquire new products from BDI Authorized Resellers. Any product, part, or component must have been assembled, installed, used, and maintained according to BDI's published instructions to be eligible for warranty coverage. Any modification to the original product voids the warranty.
