

STATEMENTS DINING

Let your dining room make a statement. This striking Entwine Dining Table has been designed to reimagine traditional forms and style idioms to create compelling visual focal points wherever it is used. The Tables are crafted in solid American black walnut hardwood or cherry hardwood with five finishes* and topped with clear tempered 15 mm glass. The tables in walnut are finished with a low sheen (10 sheen) topcoat. The finish is **GREENGUARD Certified** for low chemical emissions.

*Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality.
